## State Literacy Award

### Nomination Information

The Literacy Award is designated to recognize an individual, organization, or institution for significant contributions to literacy in a community, the state or nation.

Local councils may choose to use this same form, process, and guidelines to select a Celebrate Literacy recipient. Local council presidents received further descriptions and suggested criteria for this award in the IRA packets. That designee may or may not then be a nominee for the state level award. Individuals may make nominations as well. A council or individual may only submit one nomination per year. A \$300 cash award will be given to the recipient.

**Deadline for nominations is November 1. Material received after that date will not be considered.** Send to:

Janele Husband
