

Kay Mervar Outstanding Reading Educator Award

Given to honor a Colorado teacher who:

1. Integrates reading and writing instruction into the total classroom curriculum.
2. Incorporates current instructional practices through innovative teaching.
3. Demonstrates creativity in instruction practices.
4. Has a positive impact on total school climate.
5. Is able to articulate the beliefs and understandings that guide the decisions made about literacy education.

Kay Mervar was an outstanding educator whose career spanned thirty years. Through her love of books and teaching, Kay enriched the lives of hundreds of young children and influence the experiences of many college students, student teachers, ,and colleagues. Kay's professionalism, expertise, and dedication gained her the admiration and appreciation of CCIRA members from around the state. This award is respectfully and lovingly named in honor of Kay Mervar.
